

Our EATOILS™ BIOSOLUTIONS  
'GREEN CLEANING' products:

BIOBLAST™ - Ready to use liquid product for all floor & washroom surface cleaning, drain & grease trap treatment and maintenance.

**BT200™** – Concentrated liquid cleaner with 'oil-eating microbes'. Ideal for oil & grease stain removal from most surfaces including concrete, asphalt & soil.

**SUPER CARPET-FRESH™** – Concentrated liquid cleaner for soft surfaces- carpets, fabric, & upholstery - with an odor destroying formula that naturally eliminates organic odor in minutes. Excellent for spot treatment, pre-spray, & extraction cleaning. Ideal for accidents, pet urine, smoke, etc.

**SUPER DEGREASER™**- cuts grease fast! Concentrated liquid equipment degreaser and parts washing solution with 'oil-eating microbes' – unique formula is a cost saving solution for use in parts washers.

**SUPER FLOOR DEGREASER™** - Concentrated floor degreaser/cleaner helps to prevent 'slip and fall' accidents in kitchens & restaurants.

**SUPERFLOW™** - Concentrated liquid drain opener quickly opens lines naturally, cleaning without harsh chemicals.

ENVIRONMENTALLY FRIENDLY  
MICROBIAL CLEANING SOLUTIONS

## PRODUCT SELECTION GUIDE

**SUPERFRESH™** - Concentrated liquid cleaner/deodorizer for all hard surfaces – counters, washrooms & floors in high traffic restaurants & hotels with an odor destroying formula that naturally eliminates organic odor in minutes. Excellent for cleaning and deodorizing garbage disposals, skunk, pet urine, smoke, etc. Ideal for mold & mildew, grout & tile.

**SUPERSEP™** – Concentrated liquid treatment for grease traps, drains, septic, etc. in high traffic restaurants, hotels, & institutions – keeps lines running free and degrades all organic sewage - naturally.

**SUPER SRV™** - Concentrated septic & RV maintenance treatment is a powerful dry product for maintaining a healthy, trouble free RV Septic system.

**SUPER POND CLARIFIER™** - is a Ready-to-Use versatile, maintenance and treatment product that provides superior results for dosing ponds, lakes, and other areas where algae blooms can occur. It's biodegradable and is non-toxic to humans, fish, beneficial aquatic organisms and wildlife.

**Safe for Landfill  
Safe for the Environment  
Safe to Handle**
